WHY?

Not Own a Home or Farm

Do you expect to work for
someone else all your life?

By adopting our method of
"Home Getting" it is easy as
not and much more satisfac-
tory. For \$4 per month on
each \$500 you want we will
lend you the money to buy
your home or farm and only
charge you 5 per cent simple
interest, giving you 10 years
to pay us back. These loans
can be used to buy, to build
or to improve property, and
may be repaid at any time,
thereby stopping the interest.
If you are paying more than
5 per cent it will pay you to
see us. Let's talk it over.
